### PHOTO ALBUMS

Express yourself and share your life with friends and family.

If you are new to this site, browse among the photo albums already here. When you feel comfortable, start your own by clicking on the Create A New Album link.

### Featured Photo Albums

[Narren Treffen](#)  
Become a member and enjoy photos from Narren Treffen, German

for "fools meet." Exhibited are the raising of the narrenbaum ("jokertree") and bright costumes worn by klans that go back up to 600 years.

**Photo Albums**

User Name

Make your changes to your photo album:

**1 Change the title of your album**  
• The title appears on the album page and in lists of photos.

**2 Change the Album Category**  
• Categories place your photo album within the Browse Photo Albums directory. Please select at least one category.

**3 Who can see your album?**  
• Select Just Me to create an album and save it while adding images over time. Albums marked Just Me are not listed in the Browse Photo Albums directory.  
• Select Invited Guests so that only the people that you invite will have access to your album. Albums marked Invited Guests do not appear in the Browse Photo Albums directory.  
• Select Everyone and your photo album is listed in the Browse Photo Album directory.  
• You can change this setting at any time.

**4 Who can sign your guestbook and comment on your photos?**  
• Select No One if you do not want any comments on your album.  
• Select Invited Guests so only people you invite will be able to add comments to your album.  
• Select Everyone and anyone who can see your photos will be able to share their comments with you.

**5 Click the Save button and start adding photos.**

*Photo Album Name*

[View Thumbnails](#) | [View As List](#)

[Guest Book](#) | [Add Photo](#) | [Edit Settings](#) | [Invite Guests](#) | [Delete Album](#)

**1 Enter a title for your photo album**

**2 Select categories for your album:**

- - Select a category -
- Animals
- Birds
- Cats

Hold down the Control key and click up to three categories.

Adult Content  yes  no  
If your photo album will contain material not appropriate for people under 18, please mark the Content Warning checkbox. If the checkbox is marked, users will see a warning before they see your album. If you do not mark this box and we receive complaints that your album contains adult content, we may mark it for you.

**3 Who can see your album?**

- Just Me
- Only Invited Guests
- Everyone

**4 Who can sign your guestbook and comment on your photos?**

- Just Me
- Only Invited Guests
- Everyone
